Father Gapon represented as leading the Russian Proletariat in an effort to present a petition to the Czar. In the upper left hand corner is shown a picture of the militant priest.

CLAIM GAPON IS NOT DEAD

ANONYMOUS WRITER SAYS THAT PRIEST IS ALIVE—POLICE CONVINCED HE WAS MURDERED.

ST. PETERSBURG, May 14.—In spite of the announcement of the police that they have definite information confirming the reports of Father Gapon's assassination, M. Margolin has received a letter signed "Principia," announcing that the writer knew the former priest's whereabouts and in a few days would send the lawyer a dispatch.

At the same time the wife of Rutenberg, the engineer who offered to betray the secrets of Father Gapon's organization to the government, publishes an open letter saying that the charge that her husband murdered Gapon is a calumny.

Additional confirmation, however, of the truth of the story of Gapon's execution was received Tuesday. It consisted of a copy of the sentence of death passed by the revolutionary workmen's tribunal and was mailed, like Gapon's portfolio, from Berlin to M. Margolin, the former priest's lawyer.

The document gave details of Gapon's offenses and closed with the laconic phrase: "The sentence has been executed."

In a long preamble justifying the execution it is set forth that the workmen's tribunal has incontestible proofs of Gapon's secret relations with various members of the police, whose names are given, to whom he promised to betray the revolutionists if allowed to reopen his organization.

The document also lays at Gapon's door responsibility for the death of Seichoff, who blew out his brains during the investigation of the charges against the Gapon organization, giving a new and more sensational version of the reason for his suicide. It says that Gapon, using his influence over Seichoff, gave him the revolver and exacted him an oath that he would kill Nicholas Petroff, the workman leader who published the disclosures of Gapon's relations with the Government and his financial irregularities. Seichoff, on learning the truth of the disclosures committed suicide rather than break his oath.

SUPERVISORS TO MEET.

The Board of Supervisors will meet on next Friday evening to consider the payment of the road men and also to pay the band men for the month of May.

The band will leave on the 22nd for the coast and the board will give them their warrants for May on next Friday instead of waiting for the first of the month. The Kekaouha case has not yet been set for trial as the County Attorney is too busy in the Circuit Court.

AN AMERICAN REMEDY.

There is probably no medicine manufactured that can be found in more homes in the United States than Chamberlain's Colic, Cholera and Diarrhoea Remedy. It has been in general use for over thirty years and each successive epidemic of diarrhoea and dysentery during this time has tested the merit and proved its superiority over all similar preparations. The reliability and prompt cures of this remedy have won for it the confidence of many physicians who often prescribe it in their practice. No case has ever yet been reported where its use has failed to give relief. This remedy is for sale in this city by all dealers. Benson, Smith & Co., agents for Hawaii.
